

# *The Ultimate Recycling list October 2019*

There is no quick fix to getting your items reused! Charities can very quickly get overloaded which leads to donations being wasted, so please always check what they need *before* you donate. Send me any new information so I can keep this list up to date.

BUY LESS and BUY SECONDHAND! Thank you [jenny@more-info.org.uk](mailto:jenny@more-info.org.uk)

## **Bedding; sleeping bags; towels: clean and presentable**

- **Wycombe Homeless Connection**
- **High Wycombe Helping Others:** see [mixed collections](#)
- **London homeless Run:** see [mixed collections](#)
- **YMCA: single bedding**

## **Bedding; towels; carpet pieces: clean, old and scruffy**

**Temple End Vets** use old towels for operations and pet care – drop into their Marlow Bottom branch (part-time opening) or they have branches elsewhere.

**Stokenchurch Dog Rescue** uses non-feather duvets + pillows as well as towels, blankets and sheets for animal bedding.

All other pet rescues: dogs abroad often sleep on concrete outside all the year round. The international rescues will accept bedding, including pieces of carpet for the dogs, if they can fit it in the van. There may be a local volunteer who can collect from you or meet you at a service station. Examples of international Dog Rescues: **Home2Home; Sadie's Stray Dog Rescue; Marilena's Little Romanian Dog Rescue; Action Aid for Animals.**

## **Bikes**

**Re-cycle.org:** your bicycle will be a much-valued alternative to walking for someone in Africa, enabling them to transform their life. Bike drop-off points are listed.

## **Books**

**Book Exchange** - Phone box on the Newtown/Newfield Roads corner. Swap books, always open!

Find a **School Library** that no-one else has donated to. Wycombe schools usually have less than Marlow ones. Your books will be appreciated and enjoyed for years to come.
